3 *All* *solo voice* *All*

1. We need a pole, a pole? yes in fact we need lots of poles to
2. We need a peg, a peg? yes in fact we need lots of pegs to
3. We need a sheet, a sheet? yes in fact we need a big sheet that
4. We need some rope, some rope? yes in fact we need lots of rope and

8 *solo voice*
just

put in the holes that we dig in the ground, be-cause we're going to build a wig-wam,
put round the legs of the poles in their holes,
real-ly will meet round the poles in their holes,
then we will hope that the wind does-n't puff

12 *how?* *All* *Chorus*

Watch now, watch now and you'll see how! You put the poles in the holes, the

16

pegs round their legs, put the sheet that will meet round the poles in their holes, then you

19

tie a piece of rope round the lot and you hope that the wind does - n't puff, and

22 *solo voice*
v.1-3 It does- n't
v.4 It's look - ing

blow just e-nough to bring a - bout a ter - ri - ble di - sas - ter.

25 v.1-3
look ve-ry safe to me,

All Just you wait, just you wait, you wait and see!

31 v.4
saf - er and strong - er now!

All Yes it is, yes it is, and so you see, we've built a

35

wig - wam, we've built a wig - wam, we've built a wig - wam!
