

Singing rules!

Jonathan Willcocks

Word-sheet

Do you want to sing a song?
Do you want to sing along?
Do you want to pass the test?
Do you want to sing your best?
Then to give you a clue, here's what you must do,
these are the Singing Rules!

Chorus *Clap your hands, stamp your feet,*
 so you really feel the beat. (clap and stamp)
 Stand as tall as a tree,
 let your arms swing free. (swing your arms)
 Breathe as deep as can be, (breathe in)
 and then you will see – a-One, Two, Three,
 that you're ready to sing, to sing, sing, sing, sing, sing.

Did you stand up from your chair?
Did you breathe in lots of air?
Did you sing it rather slow?
Do you want another go?
So then as you can see, it's clear as can be,
these are the Singing Rules!
(Chorus)

Shall we sing one more time?
Just remember the rhyme.
If we go up a key, it's as easy as can be,
these are the Singing Rules!
(Chorus – repeating 'Sing, sing, sing, sing' 3 times at the end)
